

Get it straight from the zebra's mouth!
***More than 40 exhibitors already confirmed
for inaugural Wildlife & Safari Travel Show***

The Wildlife & Safari Travel Show, taking place 29-30 September 2018 in Harrogate, has confirmed more than forty specialist wildlife, safari and conservation companies already signed up to exhibit at the inaugural show. The show now boasts an impressive list of exhibitors from off the beaten track travel specialists Pioneer Expeditions; luxury safari & beach holidays operator Mahlatini Travel; safari company Peru Safaris; to destination exhibitors such as Zambia Tourism UK and Botswana. For visitors it will offer an unrivalled chance to meet the change makers, the conservationists and travel companies who will excite, educate and inspire.

High profile sponsors include Avis Rent a Car with its 5,000 locations across 165 countries; Travel Africa the world's only magazine dedicated to exploring Africa and Love Nature, the TV company famous for its acclaimed commercial free nature documentaries.

Avis is sponsoring an innovative Virtual Reality Theatre at the Show where the audience will be surrounded by an amazing 360-degree wildlife and safari experience. From land based to underwater wildlife encounters, this attraction presents an unrivalled sense of immersion in preparation for the real thing!

The show's headline charity partner is conservation charity Tusk and £1 from every £8 advance ticket will be donated to the Tusk Trust.

Debbie Dale director at Converge Exhibitions, organiser of the Wildlife & Safari Travel Show, said: "We are delighted with the number of companies

already signed up to exhibit at the Show and we expect this to rise to more than fifty. Travelling to encounter wildlife has never been more popular and as we become better travelled, demand for knowledge and insight grows ever higher. Our planet is magnificent and for those who are curious to see its incredible wildlife, the collection of expert exhibitors at the Wildlife & Safari Travel Show will give visitors the inside track and information they'll need to research, plan and book the trip of a lifetime, with confidence.”

Notes to Editors:

The first Wildlife & Safari Travel Show takes place at Harrogate Convention Centre 29 – 30 September 2018. The Show is organized by [Converge Exhibitions](http://convergeexhibitions.com); the company's directors are experienced travel show and event organisers Chris Erasmus, Debbie Dale and Lorraine Barnes Burton.

Converge Exhibitions organise bespoke consumer travel exhibitions, such as the Wildlife & Safari Travel Show, to bring travel companies and their core target audience together in a way that profits everyone. We know what it takes to create such events and how to ensure that valuable consumers are connected with valuable expertise. This focused and immersive approach is what makes the difference and makes Converge Exhibitions unique.

£1 from every £8 advance ticket will be donated to headline conservation charity partner Tusk Trust.
